REQUEST FOR CERTIFICATE OF CORRECTION –OFFICE MISTAKE
(37 CFR 1.322)

Dear Sir/Madam:

In accordance with 37 C.F.R. 1.322, Applicant hereby requests a Certificate of Correction. Claims 7, 8, and 9 of the issued patent presently are not correctly stated in content as the previously presented claims submitted and allowed. The previously presented claims can be found in the Office file in Applicant's "Request for Continued Examination and Response to Office Action", filed on 19 September 2006.

In particular, Claim 7, at column 12, line 17 currently states:

"The method according to claim 6 wherein the first frame blocks generated using the corner asset are positioned at least one corner of the image"

Applicant requests Claim 7 to be corrected to state:

"The method according to claim 1 wherein at least some of the first frame blocks are positioned adjacent to the image"

Support for the requested correction can be found on page 3 of Applicant's previously presented Claim no. 7. Applicant respectfully asserts the incorrect claim stated is of consequence as it is directed towards the claims of the invention.

Also, Claim 8, at column 12, line 20 currently states:

"The method according to claim 1 wherein at least some of the first frame blocks are positioned adjacent to the image"

Applicant requests Claim 8 to be corrected to state:

"The method according to claim 1 wherein the first frame asset is a corner asset, and generating the first frame blocks includes rotating the corner asset"

Support for the requested change can be found on page 4 of Applicant's previously presented Claim no. 8. Applicant respectfully asserts the incorrect claim stated is of consequence as it is directed towards the claims of the invention.

Lastly, Claim 9, at column 12, line 22 currently states:

"The method according to claim 1 wherein at the first frame asset is a corner asset, and generating the first frame blocks includes rotating the corner asset"

Applicant requests Claim 9 to be corrected to state:

"The method according to claim 6 wherein the first frame blocks generated using the corner asset, are positioned at least one corner of the image"

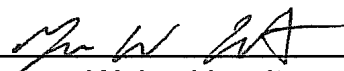

Support for the requested change can be found on page 4 of Applicant's previously presented Claim no. 9. Applicant respectfully asserts the incorrect claim stated is of consequence as it is directed towards the claims of the invention.

In accordance with 37 C.F.R. 1.322(a)(1)(i) no fee is enclosed, since each mistake was incurred through the fault of the Office and each mistake is clearly disclosed in the records in the Office, and the instant request is made at the request of the patentee's assignee. However, the Director is authorized to charge any

additional fee(s) or any underpayment of fee(s) or credit any overpayment(s) to
Deposit Account No. 50-3001 of Kyocera Wireless Corp.

Respectfully submitted,
